MEMORANDUM FOR THE CHIEF ACQUISITION OFFICERS

FROM: Robert A. Burton *Robert A. Burton*
Associate Administrator

SUBJECT: Rescinding the Requirement to Submit Small Business
Procurement Data to SBA and OMB

The Small Business Administration has released the Small Business Goaling Report for FY 2004. Accordingly, the requirement to submit small business procurement data to SBA and this office is rescinded. We appreciate the extra time and resources your agencies have devoted to transitioning from the old Federal Procurement Data System (FPDS) to FPDS Next Generation. We will continue to make data accuracy and delivery a priority to ensure that we can rely on FPDS data for the FY 2005 Small Business Goaling Report.
